Although it is still a bit chilly, this has not stopped us from enjoying our new sensory garden. The children have been going out in small groups to explore this new area, they have shown interest in the Bug Hotel, the tyre sand pits, using some balance steppingstones and looking at themselves in the big mirror!

As it is also 'Children's Mental Health' week the children have been taking part in some mindfulness activities, they particularly enjoyed lying down with a toy on their tummies whilst listening to some soothing music.

Our topic this week was Dentists, the children have engaged in role play, used toothbrushes to clean some BIG teeth and continue to dry brush their teeth after snack time.... hopefully this is supporting their toothbrushing at home. One more week to go in this very long term.
